Bancorp Bank, which serves nonbank financial companies, has appointed Randall Baugh as chief compliance officer.

Based in Wilmington, Del., Bancorp issues prepaid cards and provides back-end private-label banking services for financial **technology** companies, among other offerings.

It emphasizes its compliance and risk programs as a selling point.

Chief Operating Officer Greg Garry, who will supervise Mr. Baugh, said Bancorp is focused on modernizing consumer compliance programs for a banking landscape in which **fintech** companies play a larger role.

Mr. Baugh most recently served as head of E\*Trade bank compliance at Morgan Stanley and simultaneously as head of Morgan Stanley's U.S. banks deposits, marketing and advertising compliance. Morgan Stanley bought E\*Trade in 2020.

Bancorp Bank is a subsidiary of Nasdaq-listed Bancorp Inc.
